

Join an exclusive group of elite entrepreneurs

QUANTUMSHIFT

THE GAME IS SHIFTING

Business leaders witness first-hand the profound change occurring in today's dynamic business environment.

Your passion and vision served to lead you through these challenges and helped you seize the opportunities. Now you've reached a pivot point where you want to raise the bar and change the game.

To you, we offer **QuantumShift**, an exclusive program where you access the latest actionable perspectives from the world's leading business minds while engaging with trusted peers who share their experience, expertise, and insight to help you shift your business to the next level.

JOIN AN EXCLUSIVE NETWORK OF LIKE-MINDED PEERS

QuantumShift is more than just an exercise in business education. It's an extraordinary four-day leadership development experience for CEOs and business leaders ready to be challenged to discover innovative leadership strategies and capitalize on growth opportunities.

Held annually, QuantumShift provides entrepreneurs with innovative and actionable curriculum from the University of Michigan Stephen M. Ross School of Business, consistently ranked one of the top business schools in the world by the *Financial Times*, *Princeton Review*, and *U.S. News & World Report*. World-renowned faculty from Michigan Ross will present impactful content in various formats that will engage and inspire robust discussions around topics that matter most to growth entrepreneurs, including leadership, strategy, innovation, and culture.

Upon completion of the program, entrepreneurs become an alumni of QuantumShift, entering into an exclusive peer network of high-achieving CEOs from across the country, actively engaged in continued learning and networking activities exclusive for QuantumShift graduates. This exceptional network of influential peers can share experiences, expertise, and perspective to support one another on their upward journey.

RECEIVE INSIGHT INTO THE ISSUES THAT MATTER MOST TO TOP ENTREPRENEURS

Learn how to guide your organization through effective change and embrace positive leadership practices to drive results

Strengthen your ability to manage growth and drive new strategic direction within your organization

Deliver new value from your business through creative strategies

Understand how to develop a positive culture throughout your organization

Work in small groups sharing ideas and discussing common business experiences with other top entrepreneurs to form the foundation of a long-lasting peer-to-peer network

QUANTUMSHIFT ACCEPTS UP TO 40 OF AMERICA'S **TOP** **ENTREPRENEURS** EACH YEAR

QuantumShift is for CEOs and business leaders ready to shift a thriving enterprise to a whole new level of success by providing the opportunity to:

- Learn from and work with the top professors from the University of Michigan's world-renowned Stephen M. Ross School of Business, consistently ranked one of the top business schools in the world by the *Financial Times*, *Princeton Review*, and *U.S. News & World Report*
- Engage and collaborate with other leading CEOs from around the country, establishing relationships that will last a lifetime
- Gain entry into the exclusive alumni network with ongoing access to a series of events, including the annual national alumni conference, presenting the latest business trends, innovative thinking, and notable speakers
- Step out of the day-to-day business environment, challenge your assumptions, and embrace new ideas that will help transform and grow your business.

SHIFT TO A NEW LEVEL OF SUCCESS

QuantumShift was an opportunity to challenge some of my assumptions, refresh some of that book learning, and bring it together with my experiences and those of the other CEOs in the room.”

QuantumShift afforded me the opportunity to challenge my own thinking and connect with other CEOs who are dealing with similar business issues.”

The QuantumShift program is tailor made for companies that have gotten to a certain scale and are looking to figure out how to accelerate and optimize for future growth.”
