NBR simplifies process for disposal of obsolete stock

The NBR has simplified the process for disposal of obsolete stock for meeting the conditions of Article 46B of the VAT Law which provides that a taxable person will not be required to adjust input VAT if evidence is provided that the goods have been lost, damaged or stolen.

With effect from 3 October 2021, regardless of the value of obsolete stock being disposed of, VAT registered suppliers will no longer be required to submit an advance notice to the NBR prior to disposing of obsolete stock without consideration to avoid adjusting the input VAT deducted on such stock.

Bahrain Government to continue to bear VAT on utilities after rate increase

As reported by local news agencies, the Minister of Finance and National Economy, Shaikh Salman bin Khalifa Al Khalifa, confirmed that the Government will continue to bear the VAT on electricity and water bills of citizens.

Draft legislation for VAT rate increase referred to the parliament

A draft amendment bill for giving effect to the increase in VAT rate from 5% to 10% has been referred to the Council of Representatives for review. The bill was unveiled during the weekly meeting of the Cabinet of Ministers, chaired by the Crown Prince and Prime Minister, HRH Prince Salman Bin Hamad Al Khalifa.
