Bahrain Country by Country (CbC) notification and reporting update

The Ministry of Industry Commerce and Tourism (MoICT) has sent an email to Bahrain companies on their CbC notification and reporting obligations indicating that the filing window will be open until 28 February 2022. Ministerial Order (MO) No. (28) of (2021) concerning the Country by Country (CbC) Reporting issued in early 2021 states that CbC obligations apply for financial years commencing **from** 1 January 2021 with the first notification due at the end of December 2021, which now appears to be extended to 28 February 2022.

However, recent correspondence from the MoICT has stated that they consider the first reporting year to be 2020 (ie the CbC information that needs to be reported by the 28 February 2022 deadline is for the year ending 31 December 2020). The MoICT has also stated that they have directly approached the entities that have to file the CbC notification and report. We make the following observations:

1. Under Article 2 of the MO the first reporting year is 31 December 2021 **not** the financial year ended 2020.
2. Under Article 3(a) of the MO the CbC **notification** deadline for the year ended 31 December 2021 was 31 December 2021 (which now appears to be extended to 28 February 2022).
3. Under Article 4 of the MO, the CbC **reporting** deadline for the year ended 31 December 2021 is 31 December 2022 – we assume this remains unchanged.
4. The National Bureau for Revenue (NBR) is yet to release any information on the specific requirements for CbC notifications through their [International Tax Information Exchange System \(ITIES\) portal](#). The ITIES portal through which the CbC notifications and reporting is to be done allows only for reporting but does not seem to allow entities only wishing to make a notification.
5. The NBR page on CbC reporting still states 'coming soon'. When you log into the NBR ITIES portal a new [CbC reporting guide](#) is available - however the guide is still unclear on whether notifications will still be required for Bahrain CEs of MNE groups headquartered outside Bahrain.

For entities that have received the email from the MoICT in relation to their CbC obligations, please contact us for further guidance.
